

Cuvée Albane

Vin de Pays

Counts of Belvèze Collection

Grape Varieties / Composition

Cabernet Franc 50%, Cabernet Sauvignon 50%

Soil

Clay/ limestone soil and gravel terraces

Yield

70 hl/ha

Harvesting Method

Mechanical harvesting early in the morning to preserve the aromas and firmness of grapes

Winemaker's Notes

Saignée method and traditional vinification with temperature-controlled fermentation

Tasting Notes

Colour: light pink with mango hues, luminous and translucent

Aroma: scents of exotic fruit and heady flowers accompanied by a lively hint of citrus

Taste: nice roundness in the mouth enhanced by the aromas on the nose; a long finish.

To enjoy with Mediterranean cuisine, grilled or exotic dishes
